MEMORANDUM FOR: Chief, West Coast Procurement Office, OL
THROUGH : Chief, Procurement Division, OL
SUBJECT : Award Fee for the High Precision Stereo Comparator Project,
Contract [redacted]

1. The [redacted]
[redacted] has completed the technical requirements and submitted the deliverable items as required by Contract [redacted]

2. The following information is the technical monitor's evaluation of the Contractor's performance and management for this project.

- a. Performance (70% of Award Fee) - The performance of the Contractor rates between Very Good and Excellent. The Contractor made several important technical breakthroughs in air bearing stages, controls and laser interferometry. State-of-the-art optical and correlation systems were also designed under this contract. The technical monitor feels that the Contractor rates a little better than 10% on this portion of the award.
- b. Management (10% of Award Fee) - The management on this project was Very Good. The Contractor maintained control of his sub-contractors and coordinated the many tasks to keep the project flowing smoothly and on schedule. The Contractor rates 9% on this portion of the award.
- c. Cost (20% of the Award Fee) - Indications are that the Contractor has remained within the estimated costs of the contract but in accordance with the contract, the technical monitor yields to the Contracting Officer's judgement for the cost portion of the Award Fee.

3. Based on the performance and management portion of the award fee, the technical monitor feels that the Contractor should be awarded a 10% fee for this contract.
